

# The Explorer Code

Brindley Bear loves to discover, learn and make on Cannock Chase, but most of all Brindley loves to stay safe!

To make sure you have a safe adventure please follow Brindley's 'Explorer Code'!

Always be prepared, wear the right clothes and take a backpack with everything you might need.

Never leave your grown up - they may get lost!

Think of other Cannock Chase users, like cyclists, horse riders and forest workers.

Never leave litter.

Never put anything in or near your mouth, including fingers. Always wash your hands after an adventure.

Look after all plants and animals.

Watch where you are putting your feet and hands. Look out for nasty things like brambles and poo!

Pay attention to sign posts.

**HAVE FUN!**
