

The Train Trail

Hednesford Park is the Destination, where the signal box is stationed. Where the train line once ran through, can you spot the railway bridge just in view?

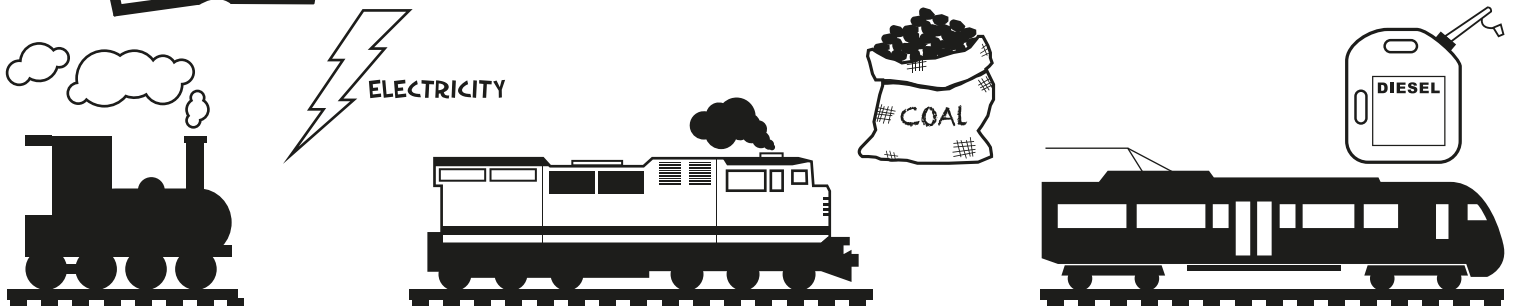

Discover

How good is your train spotting? Can you find these in Hednesford Park?

Learn

Can you match the fuel to the type of train that uses it to run?

Make

Make your own train!

On your trail around Hednesford Park what can you collect to make a train collage?

- Try doing rubbings on trees
- Stick items down you collect
- Take a picture
